Comment on *specific attributes or serious concerns* that the teacher candidate demonstrated.

Miss Bellai interacts positively with all the students, and often offers ideas or suggestions that encourage the students. She appears comfortable in the classroom and gives me no cause for concern.

Constructive professional suggestions for the teacher candidate's professional growth may be reported below.

I have no suggestions at this time. I've noticed a big improvement in how Miss Bellai organizes her time and record keeping.

Rationale Statement
Date of Completion: April 26th 2018
Date of Submission: May 2018
Title of Artifact: Teacher Candidate Evaluation Form
Standard: <u>Standard Nine:</u> Professional Learning – The teacher engages in ongoing individual and collaborative professional learning designed to impact practice in ways that lead to improved learning for each student, using evidence of student achievement, action research and best practice to expand a repertoire of skills, strategies, materials, assessments and ideas to increase student learning.

I am placing my Teacher Candidate Evaluation Form under Standard Nine, Professional Learning because it shows the I, as a student teacher, have improved as a professional learner. I have engaged an appropriate experience while actively seeking a professional understanding of leading a classroom.
